FROM THE DESK OF THE **CHAIRMAN**

Together, let us build a future powered by knowledge, innovation, and responsible leadership.

India is emerging as a global knowledge economy, and education is the foundation of this transformation. At IIMT Group of Colleges, established in 1994, we are committed to nurturing innovation, integrity, and excellence in education.

Our learning ecosystem extends beyond classrooms, combining strong academic foundations with industry-relevant skills in emerging areas such as Artificial Intelligence, Data Science, and Industry 4.0. Supported by experienced faculty, modern infrastructure, and strong industry collaborations, our students graduate prepared to lead, innovate, and contribute meaningfully to society.

I warmly invite you to join the IIMT family and become part of an institution dedicated to shaping responsible professionals and visionary leaders.

SHRI YOGESH MOHANJI GUPTA

CHAIRMAN, IIMT GROUP OF COLLEGES

FROM THE DESK OF THE MANAGING DIRECTOR

In today's rapidly evolving technological world, engineering education must go beyond classrooms and textbooks. Our focus is on nurturing creativity, analytical thinking, leadership qualities, and ethical values among students so that they are fully prepared to face global challenges with confidence and competence. Through industry-oriented curricula, modern laboratories, research-driven learning, skill enhancement programs, and strong industry collaborations, we strive to bridge the gap between academics and industry expectations.

Our aim is to create future-ready engineers and professionals who possess not only technical expertise but also integrity, compassion, and a commitment to lifelong learning. The remarkable achievements of our students in academics, placements, entrepreneurship, sports, and co-curricular activities reflect the values and quality education imparted at the institution.

I wish all students a successful academic journey and a prosperous future ahead.

OUR SHEROES!

Our Shakti Srijans: Empowered minds, unstoppable spirits.

The Sheroes of IIMT Engineering College, fondly known as Shakti Srijans, represent the spirit of strength, creativity, and transformation. They are the young women of the institution who are not only excelling academically but are also shaping a future defined by confidence, leadership, and innovation. With determination in their hearts and vision in their minds, they are redefining what it means to be empowered in today's world.

At IIMT, these Shakti Srijans rise beyond conventional boundaries, proving their mettle in Engineering, Technology, Management, Cultural Activities, Sports, and Leadership roles.

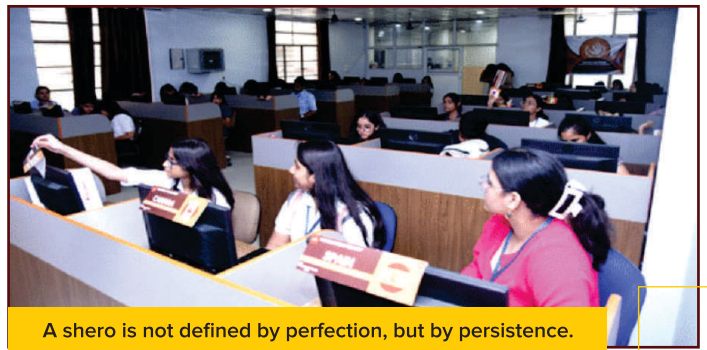

Fearless. Fierce. Female.

Courage isn't loud; sometimes it's the quiet strength of a woman who keeps going.

She rises, not because it's easy, but because she is unstoppable.

A shero is not defined by perfection, but by persistence.

Her power lies in her resilience.

A shero writes her own story, no matter how many try to rewrite it.

She rises. Always.

Empowered women empower the world.

Our Shaktis..built by strength, powered by dreams.

They are change-makers, who uplift others as they grow, fostering an environment of inclusivity and support. Whether it is mentoring peers, taking initiative in student-led activities, or representing the college at various platforms, they embody the essence of Shakti—power with purpose.

The **Shakti Srijans** of IIMT Engineering College are not just students; they are **future leaders, innovators, and trailblazers**. Their stories are a celebration of perseverance and passion, reminding us that **empowered women empower the world**.
