IIMT ENGINEERING COLLEGE

"Three Decades of Crafting Engineers, Shaping the Future"

News Bulletin 2024

Vol 1, Issue 1: August – October 2024

MESSAGE BY

Dear Students,

It is a pleasure to welcome all of you to another promising academic year 2024-25 at IIMT Engineering College. As we proceed towards our mission of excellence in engineering and management education, I encourage every student to grab the immense opportunities before them. Our college strives to provide a platform which not only builds technical expertise but also nurtures character and leadership. Our dedicated faculty and staff members, are fostering innovation and knowledge which is backbone of our institution's success. Together let us all work toward a bright future that embraces both technology and integrity. Remember you are the star of your parent and you have to prove the same.

Warm regards

Shri Yogesh Mohan Gupta
Chairman
IIMT Group of College

Dear IIMT Family,

As we embark on this academic journey, I am filled with optimism and confidence about the strides we are making in management and engineering education. Our college is committed to provide resources and infrastructure that enhance both teaching and learning. For our students, we aim to give the skills and support needed to succeed in the modern workforce. The passion and commitment of the faculty and staff members to nurture our future leaders is remarkable. Let us continue to inspire each other and push the boundaries of what we can achieve together.

With best wishes

Dr. Mayank Agrawal
Managing Director
IIMT Group of Colleges

Dear Student,

We welcome all the students to another exciting session at IIMT Engineering College. Our academic programs are constantly evolving to meet the dynamic needs of the engineering world and managerial skills; we are thrilled to have each of you on this journey with us. Students, embrace this time to explore, create, and challenge you under the mentorship of learned and experienced faculty and staff members which is key to guide toward their professional goals. I look forward to seeing new ideas, projects, and collaborations emerge this year. Let's make this a term full of learning, growth, and success.

With best wishes

Dr. Dharendra Kumar
Director
IIMT Engineering College

IIMT VISION

To create the most conducive environment for quality and research-oriented learning of undergraduate and postgraduate programs in the field of engineering and management and prepare the students for a globalised technological society and orient them towards serving the society.

IIMT MISSION

- To provide the best possible educational facilities and wide infrastructure for excellent career in technology and management.
- To provide a centre of knowledge for understanding of fundamentals and their application.
- To reach excellence in academic and research.
- To bridge the gap between industry and academia and fulfill the placement requirement.
- To provide a spirit of entrepreneurship and innovations.
- To organize short term courses, conferences & seminars on recent technological developments for overall growth and development.

EVENTS

Tree plantation - IIMT Engineering College often engages in tree plantation drives as part of their commitment to environmental sustainability. These initiatives typically involve students, faculty, and local communities coming together to plant trees, raise awareness about the importance of greenery, and promote eco-friendly practices. The benefits of such activities include improving air quality, enhancing biodiversity, and fostering a sense of responsibility towards the environment among students.

Quiz Competition - The CSE department at IIMT Engineering College organized events like Ramayan Rumble: The Epic Quest competitions dated on 09th October 2024, especially during festive occasions like Vijaya Dashami. These competitions not only promote knowledge and learning but also celebrate cultural traditions. A quiz competition on Vijaya Dashami included:

- 1. Cultural Questions:** Topics related to the significance of the festival, its myths, and traditions.
- 2. Technical Questions:** Queries related to computer science, technology, and current trends in the industry.
- 3. Team Participation:** Students typically participate in teams, fostering collaboration and teamwork.

Internal Smart India Hackathon 2024 - The much-anticipated Smart India Hackathon 2024, took place on 06-sep-2024 with great enthusiasm and showcased the exceptional talent of young innovators from across the country. This year, the event room has witnessed the participation of four dynamic teams named Brainspire, APK Guardian, Visionary Leaders and FIT TECH SQUAD, who presented unique problem statements from different ministries as posed by the Government of India and their dynamic yet feasible solutions. Event coordinator Mr. Navnish Goel & Ms. Soniya Saifi, have dedicatedly put their efforts to make this a victorious and fruitful event. They coordinated with students at all point of time and tasks and helped them with their confusions and tasks.

UPCOMING EVENTS

- A National Conference on Women Empowerment through Education, Technology and Skill Development on 25th November 2024. The occasion of International Day for Elimination of Violence against Women.
- Yuva Sangam is a key initiative under the Ek Bharat Shreshtha Bharat (EBSB) program, launched by the Hon'ble Prime Minister of India. Yuva Sangam not only emphasizes cultural exchange but also includes activities designed to enhance leadership, sports, and soft skills.
- Shakti Srijan
- ATAL Ideathon

OUR DEPARTMENT'S

Computer Science Engineering Department was established in the year 2001 with the objective of imparting quality education in the field of Computer Science Engineering. The college started with an initial intake capacity of 60 seats / year which gradually increased to 120 seats per year. Department of Computer Science is a center of academic excellence, experiential

learning, design thinking and research & development in key segments of Computer Science. The department has smart classrooms, modern well-equipped labs, seminar hall partnered with highly qualified and experienced faculties having expertise in different computer domains. The department aims at becoming the Centre of Excellence by providing education and consultation of international standards in the field of computer science and thus targets to produce globally competent and self-disciplined computer engineers.

Dr. Rajeev Sharma
HOD – CSE

ALUMNI SPEECH

ANJANI SHARMA

Current Organization: Infosys Ltd.

Location: Melborn, Australia

My IIMT experiences provided the foundation for so much that has followed in my life, so I love to come back whenever I can. I always feel at home at IIMT and am grateful for everything that IIMT gave to me, what it exposed me to, and how it challenged me.

ROHIT KUMAR

Current Organization: AMAZON GO

Designation: Machine Learning and Data ops Associate.

It gives me immense pleasure to say with pride that I have completed my bachelor's degree from IIMT Engineering College. The relationship between faculties and students is very cordial, which gave me an opportunity to excel in my area of interest. I would like to thank IIMT & all the faculties and staff for making me a better person.

CORPORATE RESOURCE CENTER ACTIVITIES (PLACEMENT CELL)

The department of CRC i.e. Corporate Resource Centre is at its full pace in terms of Campus Recruitment Drives. After getting over from the Pre-Placement Talk by TCS, another top-notch IT organization, Accenture is going through its hiring process. Some of the niche companies visiting the IIMT University campus in the month of November are RAK Ceramics, Wipro Ltd, Just Dial, Cars 24, Planet Spark, IndiaMart etc. Needless to say, that the list is always progressive.

Mr. Shivkant Sharma
Director – CRC

INDUSTRY INTERACTIONS

Industrial Visit (Academia Industrial Interaction)

For building technocrats, The Computer Science Engineering department at IIMT Engineering College organized industrial visits to leading tech companies, such as HCL in Noida. These visits provide students with valuable insights into real-world applications of their studies, exposure to

corporate environments & opportunities to interact with industry professionals. Such visits are instrumental in bridging the gap between theoretical knowledge and practical application, enhancing students' learning experiences.

The efforts of Mr. Neeraj Gupta, Mr. Tarun Awasthi, Mr. Renu Kumar, and Ms. Soniya (Assistant Professors - CSE) along with Dr. Rajeev Sharma (HOD - CSE) was appreciative in organizing this program successfully for making this industrial visit a remarkable success.

Trade expo visit

1st year students of IIMT Engineering College went on an industrial visit to the International Trade Show jointly organized by the Government of Uttar Pradesh and India Exposition Mart Limited in Noida. the visit was smoothly coordinated by faculty members Dr. Subhash Rajput or Ms. Shivani Agarwal. The visit was facilitated by our respected director Dr. Dharendra Kumar who encouraged and motivated the students to explore and learn new things.

CELEBRATION @IIMT

1. Independence Day

IIMT Engineering College, Meerut, celebrated the 77th Independence Day with enthusiasm and patriotism. Chairman Shri Yogesh Mohan ji Gupta hoisted the national flag, inspiring pride and unity among faculty, staff, and students. In his address, he highlighted the importance of independence and

encouraged the youth to contribute to a self-reliant and progressive India. The event included vibrant cultural performances like patriotic songs, dances, and speeches, showcasing India's heritage and diversity. Students and faculty actively participated, making the celebration memorable. The day concluded with a collective pledge to honor the sacrifices of freedom fighters and work towards national development. The event reinforced a sense of patriotism and responsibility within the IIMT community.

2. Teachers' Day

IIMT Engineering College, Meerut, celebrated Teachers' Day with enthusiasm, honoring educators for their vital role in shaping students' futures. The event included cultural performances, heartfelt speeches, and engaging activities organized by students to express gratitude. The ceremony began with the lighting of the lamp by Chairman Shri Yogesh Mohan ji Gupta and senior faculty, followed by an inspiring address emphasizing the importance of teachers in fostering innovation and growth. Students showcased their appreciation through poems, skits, and musical performances, highlighting the teacher-student bond.

A special felicitation recognized faculty members for their dedication and exceptional contributions. The celebration concluded with a vote of thanks, reinforcing the spirit of respect, gratitude, and academic excellence within the college.

3. Vishwakarma Day

IIMT Engineering College, Meerut celebrated Lord Vishwakarma Puja with devotion, honouring the divine architect the Lord Vishwakarma and the contributions of engineers & artisans on 17th September 2024. The event, led by Chairman Shri Yogesh Mohan ji Gupta and attended by faculty, staff, and students, featured sacred chants, a Havan ceremony, and prayers for ethical and sustainable practices. The ceremony began with the chanting of sacred mantras, creating a serene and spiritual atmosphere. Shri Gupta highlighted the importance of self-reflection and excellence in engineering. The celebration concluded with prasad distribution, symbolizing blessings and community harmony.

Computer Science Engineering also conducted powerpoint presentation competition on the occasion of Vishwakarma Pooja for their students.

4. Extempore Competition

The Department of MBA at IIMT Engineering College organized a successful Extempore competition on 20th September 2024, designed to promote public speaking and quick thinking among students. The event was meticulously coordinated by Dr. Sakshi Sharma, with leadership from Dr. Vikhyat Singhal, Head of the Department of MBA. Saloni Sharma won first position, Tanishka Jain won second position and Mansi Mittal won third position. Aditya and Kartik Manga won Consolation certificates.

5. Vijay Dashmi "Ramayan Rumble"

On the auspicious occasion of Vijay Dashmi, we have witnessed a cheerful yet learning event in our CSE department on 9th October 2024. Dept of CSE unanimously organized a quiz competition namely **Ramayan Rumble: The Epic Quest**.

There were 12 teams each team consisted of 3 participants. The all-rounder efforts of the organising committee members namely Dr. Vandana Agarwal, Ms. Yukta Chauhan, Mr. Saurabh Tyagi and student Coordinator Arsalan, the event has been truly remarkable and it was appreciated by all the audience. First position: Radhika, Komal and Sadain from B. Tech III year, CSE Second position: Priyanshu Pal, Prashant Pundir and Samarath from B. Tech II year, CSE Third position: Aditya raj, Arjun Singh and Rishu from B. Tech II year CSE.

6. Ad Mad Show

The MBA Department of IIMT Engineering College successfully hosted the AD MAD SHOW on 10th October 2024. The event, a creative platform for students to showcase their marketing skills through humorous and innovative advertisements,

was a tremendous success, drawing enthusiastic participation from students across various disciplines. Dr. Sakshi Sharma, the event coordinator and esteemed faculty member of the MBA Department, ensured the seamless execution of the competition. The competition saw energetic and witty performances by several student teams, with some truly standout advertisements.

7. Diwali Fest

The Department of Computer Science & Engineering at IIMT Engineering College, Meerut organized Diwali Fest on Thursday, October 25, 2024 by the energetic students of IIMT. It was the perfect way to usher in the festive season in style.

INDUSTRY CONNECT / SCIENTIFIC CONNECT

(Webinar / Expert talk)

Dept of CSE in association with IIEDC organised a "Workshop on Cloud Computing" for final year students with Mr. Deepak Tyagi, Senior Manager, CeeKh Eduniv Pvt Ltd., Noida.

Dept of CSE in association with IIEDC organised a "Workshop on Machine Learning" for third year students with Dr. Nitin Sharma, Professor, Maharaja Agrasen Institute of Technology, GGSIPV, Delhi.

IIMT Engineering College organised a "Session on Skills Enhancement to Meet Industry Needs" with the Industry Expert Mr. Ankur Jaggi, Director, Circle CBG India Pvt. Ltd. for MBA student.

B. Tech. 1st year organised a workshop on "Dynamism of science to upgrade educational Prospects". Speaker Dr. Manoj Kumar Patariya, said that Technology and science are complementary to one another, hence should go hand in hand. Knowledge of science helps to convert conception into pragmatism. We extend our gratitude to Director sir Dr. Dhirendra Kumar for facilitating this enriching session with an eminent scientist, wonderful scholar and a man of letters.

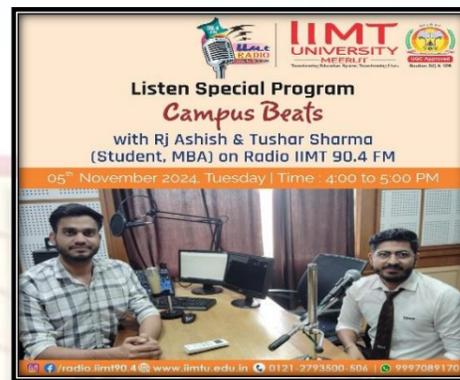

B. Tech 1st year organised workshop on 'AI & Data Science' with the senior Data Scientist Mr. Chetan Prakash. Workshop was organised with the collaboration of Appwars Technologies Pvt. Ltd. The workshop had been interactive, impressive and insightful. The company personnel, at the end awarded enthusiastic and diligent students with gift bouncers and Mr Shiva Sharma is offered free IMB Course, in collaboration with Appwars Technologies Pvt Ltd.

ACTIVITY FROM RADIO IIMT

Radio IIMT 90.4(Community Radio Station), an initiative taken by Shri Yogesh Mohan ji Gupta (Chairman) IIMT Group of Colleges, Meerut, licensed under the Ministry of Information and Broadcasting, Govt. Of India is the first Community Radio Station of Meerut started on 1st January 2007. We, initially, started with 2 hours broadcast of programmes based on education. But with the increased demand for more hours and unending love received from the listeners, we extended our horizons, and now, are broadcasting for 18 hours. The population of Meerut is about 30 lakhs including rural and urban. Keeping this in mind, we have devised our programmes accordingly. At present, we are broadcasting programmes based on spirituality, employment, child psychology, Law and rights of citizens, home remedies, healthy recipes, environment & protection, sports, career prospects, inventions and discoveries, agriculture, health and community-participation with their folk songs besides entertainment.

Catering to a population that is a mix of rural and urban masses, Radio IIMT's programmes are a mix of information and entertainment. The Radio is a hit for approx. More than 28 lakhs listeners, varied by homemakers, entrepreneurs, students, faculties, new startups, administrators, shop owners and the list go on. The focus of our station is to combine the objective of development and reaching the community with the value that is created by community in all spheres of life. The innovative approach of combining knowledge and sharing the creativity with entertainment value is the success of our Community Radio Station. To spice up the standard recipe of information and education, we add a tadka of innovation and creativity.

Radio Activity: Campus Beats-1st Year Students' Participation

Students from department of 1st year are selected to our forth their views for "Campus Beats" Program, under the Aegis of Radio FM IIMT,90.4 FM. Mr Shiva, Mr. Chiranjeev, Mr. Naampreet shared their opinions on Dr. A. P. J. Abdul Kalam on the occasion of birth anniversary of Dr. A. P. J.

Abdul Kalam. Radio director Dr. Sugandha Shrotriya and Radio RJ Mr. Aashish cooperated students. Department Hod Ms. Arju Malik and Program coordinator Ms Shiwani Agarwal made valuable efforts.

JOB FAIR

The purpose of education is not merely to provide employment for earning a livelihood; it also shows the path to becoming a better human being. During my work in Mumbai, before coming to Meerut or becoming a Member of Parliament, I was unaware of such job fairs. However, now I feel that such job fairs should be organized every month. This thought was shared by the world-famous actor Arun Govil, who portrayed the character of Lord Ram in the iconic serial Ramayan, and is also the Member of Parliament from Meerut, during the closing ceremony of a job fair organized at IIMT University.

Arun Govil infused the atmosphere with devotion by chanting "Jai Shri Ram" at the IIMT University auditorium, and the devotees of Lord Ram responded with enthusiastic chants of "Jai Shri Ram."

Before Diwali, a job fair was organized by IIMT University in collaboration with the Regional Employment Office of Meerut. Arun Govil, the Member of Parliament from Meerut, attended the event as the Chief Guest. He was welcomed by the Chancellor of IIMT University, Yogesh Mohan ji Gupta. Speaking at the event in the university auditorium, Arun Govil emphasized that organizing such job fairs is essential as they provide a platform for employment opportunities. He also personally handed over offer letters to the selected candidates.

Dr. Mayank Agarwal, Managing Director of the IIMT Group, congratulated the selected candidates during his speech. He noted that ever since Arun Govil, the actor who played Lord Ram, set foot in Meerut, the city has undergone a transformation. With the launch of the Vande Bharat train and Metro service in Meerut, as well as continuous road expansion, the city is witnessing significant development. Dr. Agarwal compared Arun Govil's role in Meerut's progress to Lord Ram's 14 years of exile, emphasizing that just as Lord Ram undertook his exile for the welfare of his people, Arun Govil's efforts are helping Meerut thrive.

A total of 22 companies participated in the job fair, which was held at the IIMT University campus, conducting interviews and selecting candidates. A total of 739 candidates applied for the job fair, out of which 265 candidates were selected. The appointment letters were handed over to the selected candidates by Arun Govil, the Member of Parliament from Meerut.

IIMT University's Registrar, VP Rakesh, expressed gratitude to the visiting dignitaries. The event was also supported by Shashi Bhushan Upadhyay, Assistant Director of Employment, Meerut Division; Ishwar Singh, Senior Assistant; Rajeev Kumar, Raju Yadav, Om Datt, Rishi pal Singh, and Sudarshan Giri, who contributed to the success of the job fair. The event was attended by Dr. Neeraj Sharma, Dean of Student Welfare, Dr. Sandeep Kumar, Director of Administration, Heads of various departments, and faculty members of IIMT University.

TRAINING SESSION ON OUTCOME BASED EDUCATION

Dr. Dharendra Kumar, Director at IIMT Engineering college Meerut organized a session on "Gap Analysis in Teaching Learning Process" on 28th September 2024. He gave insight into how to make strategies and

implement them successfully for better learning and results. All the faculty members of College127 attended the insightful session.

INITIATIVE FROM STUDENT ACTIVITY COUNCIL

1. Cultural

- Headed by Dr. Sakshi Sharma, the Cultural Council focuses on artistic expression and cultural engagement.
- Clubs such as the Singing, Dance, Skit, and Fine Arts Clubs allow students to showcase and enhance their talents.
- A structured roadmap guides activities to help students explore and nurture their creative potential, organizing events and performances to highlight student talent.

2. Literary

- Under the leadership of Ms. Shivani Agarwal, this council focuses on developing students' communication and writing skills.
- Faculty members and student coordinators work together to conduct activities like writing competitions, debates, and workshops on effective communication.
- The council aims to enhance literacy skills, preparing students for professional and academic success.

3. Sports

- Headed by Mr. Nadeem Ali, the Sports Council promotes physical fitness, team spirit, and sportsmanship.
- Through faculty and student coordinators, the council organizes sports events and tournaments to encourage students' involvement in athletics.
- Activities are designed to build resilience, teamwork, and a strong sports culture within the college.

4. Technical

- This council is dedicated to fostering technical acumen among students, with plans for workshops, seminars, industrial visits, expert talks, and hackathons.
- Focuses on bridging the gap between academic learning and industry requirements.
- Provides students with hands-on experience in emerging technologies and innovation, enhancing their technical skills and professional readiness.

STUDENT THOUGHT

- "The morning will come again because no darkness no season can last forever." **Vidushi Sawant (B. Tech 4th Year CSE)**
- "Always think, "I can do what I know, and I will learn what I don't know." **Kirti (B. Tech 3rd Year CSE)**
- "Communication is a bridge between confusion and clarity." **Ritik Kumar (B. Tech. 3rd Year CE)**
- "Use your smile to Change the world, don't let the world change your smile." **Shivani Deshwal (B. Tech 3rd Year EE)**
- "Feel the burn, endure the pain, and rise as the force no one can ignore." **Ishwik (B. Tech 2nd Year CSE)**
- "Studying is like planting seeds you might not see results right away, but with time and care, those efforts will grow into something amazing stay patient and keep working." **Samarth (B. Tech 2nd Year CSE)**
- "If you can imagine it. You can have it." **Kirtika Sharma (B. Tech 2nd Year CSE)**
- "Good, Better, Best. Never let it rest until your good is better and your better is best." **Arsalaan Mansoori (B. Tech 2nd Year CSE)**
- "Winners never quit; quitters never win." **Khushi Singh (B. Tech 2nd Year CSE)**
- "Study with a purpose, learn with passion, and success will follow as your shadow" **Rajendra Kishor (B. Tech 2nd Year CSE)**

- "Work hard in silence and let your success make noise." **Khushi Gupta (B. Tech 2nd Year CSE)**
- "Stress is the gap between our expectation and reality. More the gap, more the stress. So, expect nothing and accept everything." **Sumit Singh (B. Tech 2nd Year ME)**
- "Mindset is what separates the best from the rest." **Shubham Kumar Banaiwala (MBA 1st Year)**
- "Leadership is not about taking charge, Leadership is about taking care of those in our charge." **Aman Upadhyay (MBA 1st Year)**
- "It's not stress, that kills us.... it's our reaction to it." **Neha Pal (B. Tech 1st Year)**
- "Leadership is not a contest, but a great responsibility." **Vaibhav Pal (B. Tech 1st Year)**

THOUGHT OF THE MONTH

"Don't watch the clock, do what it does...."

Ms. Shivani Agarwal (Assistant Professor - AS)

FACULTY ACHIEVEMENTS

FDP/ STTP/ WORKSHOP/ JOURNAL / CONFERENCE / SEMINAR PAPER PUBLICATION

Name of the faculty	Title of the Programme
Prof Hari Om Sharma (HOD, ME-127)	A Six days Faculty development program "Implementing AI- driven Solutions in Engineering and Technology" was organized by Electronics and ICT Academy, IIT Roorkee.
Mr. Dinesh Kumar Patel Assistant Professor ME - 127	A Six days Faculty development program "Implementing AI- driven Solutions in Engineering and Technology" was organized by Electronics and ICT Academy, IIT Roorkee.
Mr. Sachin Kumar Assistant Professor ME - 127	A Six days Faculty development program "Implementing AI- driven Solutions in Engineering and Technology" was organized by Electronics and ICT Academy, IIT Roorkee.
Mr. Sachin Kumar Assistant Professor ME - 127	A National Level Technical Symposium "VVMECQNZO 24" was organized by VV COLLEGE OF ENGINEERING, Tisaiyanvilai-628656 on 24 thoct 2024. Our Department Faculty, Mr. Sachin Kumar (Assistant Professor, ME-127) delivered a talk on "A study on recent advancement in Aluminium Matrix Composites (AMCs)" through online mode.
Mr. Navnish Goel Assistant Professor CSE -127	Successfully completed a National Level 5 days online course on "AI / ML for Geodata Analysis" organized by Indian Institute of Remote Sensing Dehradun & Indian Space Research Organization (ISRO).
Mr. Bodhisatwa Seal, Assistant Professor ME-127	Attended 4th Biennial International Conference on Future Learning Aspects of Mechanical Engineering (FLAME- 2024) Presented and Published a paper titled "Studies on thermal and chemical behavior of polymer composites reinforced with pineapple, sisal and kenaf fibers".
Mr. Bodhisatwa Seal, Assistant Professor ME-127	Participated and presented research paper on / titled Experimental Investigation of Thermal and Chemical Analysis of Bio Fiber and Bio-Fillers based Bio Composites in the 5th International Conference on 'Trends & Recent Advances in Civil Engineering' (TRACE-2024) at Amity University Uttar Pradesh, Noida.
Dr. Shailesh Kumar Gupta Assistant Professor EN-127	Academic Excellence Award 2024 in recognition of valuable contribution to the academic community and the students.
Dr. Shailesh Kumar Gupta Assistant Professor EN-127	Significance, Development and Applications of Decentralized Networks beyond Blockchain A Book Title: Beyond Blockchain: Reviewing the impact and Evolution of Decentralized Networks Pub: Bentham Science Publishers (Book Chapter).
Dr. Shailesh Kumar Gupta Assistant Professor EN-127	One Month Faculty Development Program on Electric Vehicle organized by SkillDzire in collebration with AICTE- 01.
Mr. Deepak Garg Assistant Professor ECE-127	One Week Online Faculty Development Program on "Research Innovations and Implementation Methods (RIIM-2024), Organized by Department of Department of Electronics and Communication Engineering, IMSEC, Ghaziabad, India.
