BLESSING WORDS BY HON'BLE CHAIRMAN, IIMT GROUP OF COLLEGES

Dear Students,

As you continue your journey through college and life, remember that every experience—whether good or challenging—holds the power to shape who you are becoming. The road ahead may not always be smooth, but it is through overcoming obstacles that you will grow stronger and wiser. Stay curious, stay determined, and embrace each opportunity to learn. Life is not just about academic success, but also about building character, forming meaningful relationships, and discovering your true potential. Each day is a new chance to step closer to your goals and dreams. Believe in your abilities, take risks, and always strive to make a positive impact. Your time here is just the beginning—your life's journey is waiting for you to make it extraordinary.

Trust in yourself, work hard, and the world will open doors you never imagined.

Wishing you strength and success in everything you pursue.

Shri Yogesh Mohan Ji Gupta

MESSAGE BY HON'BLE MANAGING DIRECTOR, IIMT GROUP OF COLLEGES

IIMT GROUP OF COLLEGES

Dear Students,

As you embark on your academic journey, remember that the path to success is built on persistence, passion, and a growth mindset. Each challenge you face is an opportunity to grow, and every success is a stepping stone to greater achievements. As future leaders, innovators, and changemakers, you are equipped with boundless potential. We are committed to nurturing this potential through holistic development. Our academic excellence is driven by dedicated faculty, smart classrooms, and advanced laboratories that create a dynamic and engaging learning environment. We proudly offer high-class sports facilities that encourage physical fitness, discipline, and teamwork. Additionally, our robust entrepreneurial ecosystem empowers young innovators—many of whom have already launched successful ventures.

With a strong focus on knowledge, innovation, and leadership, we continue to shape future-ready professionals capable of making meaningful contributions to society.

Dr. Mayank Agrawal

Dear Students,

At IIMT Engineering College, we believe that excellence in academics is the foundation of a successful career. I encourage each one of you to remain focused, curious, and committed to your learning journey. Our campus is equipped with advanced laboratories that offer hands-on experience to complement classroom learning. We are proud of our highly qualified faculty, who are dedicated to nurturing your potential and guiding you towards academic and professional success. To further enhance your technical exposure, we are continuously upgrading our infrastructure — new, specialized labs are currently under development to meet the demands of emerging technologies. Regular technical workshops, seminars, and industry interactions are also organized to keep you updated with real-world advancements. Make full use of these opportunities, stay disciplined, and aim high. Your hard works today will open doors to a brighter future. Best wishes for your continued growth and success.

Dr. Dharendra Kumar

Director, IIMT Engineering College

IIMT VISION

To create the most conducive environment for quality and research-oriented learning of undergraduate and postgraduate programs in the field of engineering and management and prepare the students for a globalised technological society and orient them towards serving the society.

IIMT MISSION

- To provide the best possible educational facilities and wide infrastructure for excellent career in technology and management.
- To provide a centre of knowledge for understanding of fundamentals and their application.
- To reach excellence in academic and research.
- To bridge the gap between industry and academia and fulfill the placement requirement.
- To provide a spirit of entrepreneurship and innovations.
- To organize short term courses, conferences & seminars on recent technological developments for overall growth and development.

EVENTS

Student Mentorship Program – Session 2 Organized by Meerut Management Association (MMA)

The Meerut Management Association (MMA) successfully hosted Session 2 of its transformative Student Mentorship Program on February 10, 2025. The event brought together students, professionals, and entrepreneurs for a day filled with inspiration, learning, and practical insights. Designed for undergraduates, postgraduates, and early-career professionals, the program featured a compelling keynote on leadership and career growth, an insightful panel discussion on industry trends, and interactive workshops on entrepreneurship and essential soft skills. One-on-one mentorship sessions provided personalized guidance, while dedicated networking opportunities helped participants forge valuable professional connections. With a strong emphasis on leadership, innovation, and personal development, the event reaffirmed MMA's commitment to nurturing future-ready professionals. For many attendees, it was a stepping stone toward greater clarity, confidence, and career success.

HR Synergy Summit 2025 Held at IIMT University: Empowering the Future Workforce

"Innovate, Integrate, Inspire – Shaping Tomorrow's Talent Today"

IIMT University, successfully hosted the **HR Synergy Summit 2025**, on 15th Feb 2025 drawing leading HR professionals, industry experts, and academic leaders from across the country. Themed "**Empowering the Future Workforce**," the summit served as a platform to explore the evolving dynamics of human capital management in the age of AI and automation.

Distinguished speakers included **Mr. Rajan Sinha** (CEO, Mantrana Consulting), **Mr. Deepak Bharara** (CEO, People A2Z), and **Mr. Shikhar Gupta** (Director, PwC), who shared insights on the integration of AI, upskilling, and result-driven HR practices. The event featured keynote sessions, panel discussions, tech demos, and robust networking opportunities.

Attendees from organizations like IBM, Hero MotoCorp, TCS, and Genpact engaged in meaningful dialogue about reshaping HR strategy for the digital future.

The summit reaffirmed IIMT University's commitment to

academic-industry collaboration and to preparing students for the evolving professional landscape.

Quiz competition on National Science Day

On the occasion of "National Science Day", Dept. of Applied Science and Humanities organised "General Science Quiz" on Feb 28, 2025. The celebration honored the birth anniversary of the eminent physicist, Sir C.V. Raman, and highlighted the significance of scientific innovation.

The event was graced by the esteemed Director, IIMT Engineering College, Dr. Dharendra Kumar, along with the Heads of all Departments. A key highlight of the event was a

General Science Quiz, where students from various departments and academic years enthusiastically participated. All the participants were issued certificate. The quiz not only tested their scientific knowledge but also fostered a spirit of curiosity and learning.

The winners were awarded for their outstanding performance, adding to

the excitement of the occasion. The event successfully promoted scientific awareness and commemorated the remarkable contributions of C.V. Raman to the world of science.

Women's Power & Innovation on International Women's Day

On March 7, 2025, IIMT Engineering College, in collaboration with IIMT Radio, hosted a grand symposium to celebrate International Women's Day. With this year's theme, "Women Entrepreneurship and Innovation," the event aimed to spotlight the significance of gender equality and the role of women as change-makers in various fields.

The event commenced with the auspicious lighting of the lamp, symbolizing the triumph of knowledge over ignorance and marking the beginning of an inspiring day. The event was graced by *Dr. Mrinalini Singh, a distinguished psychiatrist and daughter of General V.K. Singh, as the Chief Guest. Her powerful advocacy for mental health and women's empowerment made her presence truly impactful.

Adding to the enriching discussions were Ms. Neha Vats Kacker, Secretary of the Hear and Silence Foundation and Brand Ambassador of the Municipal Corporation of Meerut, along with *Ms. Seema Sharma, a retired Senior Manager from Indian Overseas Bank. Their inspiring words shed light on the immense contributions of women in leadership and social progress.

The symposium also celebrated the incredible talents of students who participated in the Shakti Srijan activities, including Poem Recitation, Article Writing, and the Waste to Wonder competition. Their creativity and dedication were recognized, reaffirming the

importance of fostering innovation and self-expression among young minds. Storytelling and name that woman competitions organized by Radio IIMT made the event more engaging. Dr. Vandana Agarwal, Convener of the Shakti Srijan Club, shared the club's mission and vision, while also offering a glimpse into exciting upcoming events.

Alumni Talk

The Department of MBA at IIMT Engineering College successfully hosted an Alumni Talk on 21 March, organized by Dr. Sugandha Shrotriya, with the valuable contributions of Dr. Pooja Sharma and Dr. Vikhyat Singhal. The session aimed to bridge the gap between academia and industry by providing students with firsthand insights from accomplished alumni.

The alumni shared their professional journeys, industry experiences, and valuable guidance on career growth, skill development, and emerging trends in management. Their interaction with students fostered motivation and provided practical knowledge about navigating the corporate world.

The event was met with enthusiastic participation from students and faculty, making it a meaningful and impactful session. The department extended gratitude to the alumni, faculty members, and organizers for making the talk a resounding success.

Workshop on Industry- Academia Connect

On April 1, 2025, the Department of Management at IIMT Engineering College, Meerut successfully launched a comprehensive 32-day workshop in collaboration with Bajaj Finserv and upGrad, tailored exclusively for MBA students. This industry-academia initiative aimed to boost students' practical knowledge, soft skills, and overall career readiness

through a series of structured training modules. The workshop was strategically designed to align with real-world corporate expectations, offering four distinct modules, two of which were successfully completed by April 24, 2025:

- **Module 1:** Insurance
- **Module 2:** Communication Skills

These modules were delivered through interactive and engaging sessions, combining theoretical insights with hands-on learning experiences. The focus remained on enhancing industry-oriented competencies, improving communication proficiency, and bridging the gap between classroom learning and workplace realities. MBA students participated with remarkable enthusiasm, contributing actively to group discussions, role-plays, and real-life case study analysis. The sessions not only strengthened their technical and interpersonal capabilities but also instilled confidence and a clearer understanding of professional expectations. This workshop reflected the Management Department's ongoing commitment to providing holistic and market-relevant training to its students. It reinforced the importance of collaborations with reputed industry players like Bajaj Finserv and upGrad in preparing future business leaders. The college extended its heartfelt appreciation to Bajaj Finserv and upGrad for their instrumental support and collaboration, which made this initiative a meaningful and impactful learning experience for the students.

Expert Talk

The Department of MBA, IIMT Engineering College, Meerut, successfully hosted an enlightening session on **"Leading with Purpose: Turning Passion into Impact"** with the esteemed **Ms. Ishita Sharma**, an accomplished Aerospace Engineer, researcher, and space policy analyst on 3rd April. Throughout her talk, she shared her remarkable journey in the aerospace sector, emphasizing the importance of vision, perseverance, and the responsibility of integrating sustainability into space exploration. Her insights on leadership, innovation, and the future of space technology captivated the audience, leaving a lasting impression on students and faculty alike.

The session concluded with a heartfelt **vote of thanks**, expressing gratitude to Ms. Ishita Sharma for her invaluable time and wisdom. Appreciation was also extended to Dr. Shubha Dwivedi Mam and the faculty, students, and the organizing team from the Department of MBA for their efforts in making the event a grand success.

Expert Talk on Career Guidance by Tejvir Singh

The Department of Civil Engineering at IIMT Engineering College organized an Expert Talk on April 3, 2025, featuring Mr. Tejvir Singh, Deputy Chief Engineer, Indian Railways. The session focused on career guidance for Civil Engineering students, offering valuable insights into professional growth and opportunities in the field. Mr. Ali Akbar, Head of Department, welcomed the guest, while Mr. Sonu Gautam, faculty member, convened the session. Mr. Singh emphasized the importance of hard work, dedication, and passion, while

discussing career paths in both government and private sectors. He guided students on resume writing, interview preparation, and the significance of professional networking. An engaging interactive session allowed students to clarify doubts and seek advice directly from the expert.

MOU with UNAKI University

IIMT Engineering College, Meerut, India, and AKI (UNAKI), Indonesia, formalized a Memorandum of Understanding (MoU) on 08 April 2025 through an online mode, signifying a

strategic step toward fostering international academic collaboration. The virtual ceremony commenced at 11:00 AM and was graced by the presence of Dr. Dharendra Kumar, Director of IIMT Engineering College along with all Heads of Departments and faculty members. The UNAKI delegation was led by Prof. (Dr.) Tri Purwani, Rector, accompanied by Ms. Indah Arvianti, Dean of the Faculty of Language and Culture, the Rector's Assistant, and departmental heads. The program was efficiently conducted under the stewardship of Dr. Shilpi Singh, Professor and Dean, IQAC, IIMT Engineering College Meerut. The MoU aims to facilitate academic cooperation through joint research initiatives, faculty and student exchange programs, and cultural engagement. The event concluded with a formal Vote of Thanks delivered by **Dr. Shilpi Singh**, signifying the commencement of a promising and mutually beneficial partnership.

Bridging Academia and Industry: Machine Learning Workshop at IIMT

IIMT Engineering College, Meerut, organized an Industry-Focused Workshop on "Machine Learning Techniques" in collaboration with Appwars Technologies Pvt. Ltd., Noida. Conducted by the Department of Computer Science & Engineering, the workshop took place on April 10, 2025, and aimed to align academic knowledge with real-world industry practices. The session was led by Mr. Alok Kumar, a Data Science Developer from JSS Academy of Technical Education, Noida. He provided in-depth insights into Machine Learning, covering key concepts through real-world examples, Python environment setup, and live implementation of ML models with data visualization using libraries like NumPy, Pandas, Matplotlib, and Seaborn. Mr. Kumar also guided students on professional growth—stressing the importance of self-

learning, building GitHub portfolios, maintaining an active LinkedIn presence, and mastering tools like Power BI and Looker Studio. He encouraged students to manage time effectively, enhance communication skills, and maintain zero academic backlogs for career readiness.

IIMT Students Visited Havells India Ltd. for Industry Exposure

In a significant step toward enhancing practical learning, IIMT Engineering College successfully organized an industrial visit for B.Tech 2nd and 3rd-year students from the Electrical, Electronics, Civil, and Mechanical Engineering departments. Coordinated by the Industry Innovation and Entrepreneurship Development Cell (IIEDC), the visit took place on **April 11, 2025**, at Havells India Limited, located in Sector 10, Plot No-2A, Industrial Estate, BHEL, Haridwar, Uttarakhand. Students departed from the campus at 6:00 AM and spent the day observing various manufacturing and operational processes at Havells, one of India's leading electrical equipment manufacturers. The visit offered them valuable exposure to real-world applications of engineering concepts, including the functioning of machinery and safety measures followed in the industry. This initiative helped students connect classroom theories with practical implementation, enriching their technical knowledge and offering a clearer perspective on industry standards and expectations. It also promoted professionalism, discipline, and teamwork among the participants.

Annual Debate at MMA

The prestigious Annual Debate Competition organized by the **Meerut Management Association (MMA)** was held on **19th April 2025**, attracting participants from various esteemed institutions across the region.

Representing IIMT Engineering College, Meerut, two students from the **MBA Department—Saloni Sharma and Memona Fatime**—actively participated in this intellectually stimulating event. With their articulate arguments, strong reasoning, and confident presentation, they showcased commendable debating skills and made a notable impression on the audience and jury alike.

Their participation not only reflected the academic rigor of IIMT's management program but also demonstrated the students' enthusiasm in engaging with contemporary issues beyond the classroom. The event served as an excellent platform for honing public speaking and critical thinking skills among future leaders.

WORLD CREATIVITY AND INNOVATION DAY CELEBRATION

Celebrating **World Creativity & Innovation Day** with "**Mind Spark: The Innovation Quiz**" On **April 21, 2025**, the Department of Computer Science and Engineering at IIMT Engineering College, Meerut (Ganganagar), celebrated World Creativity and Innovation Day with an intellectually invigorating event – "**Mind Spark: The Innovation Quiz.**"

The event brought together five enthusiastic teams, each comprising three talented participants, who competed across a series of thought-provoking rounds designed to test their logical reasoning, problem-solving skills, creative thinking, and technological awareness.

The event was honored by the gracious presence of Dr. Dharendra Kumar (Director) and Dr. Rajeev Sharma (HoD-CSE), whose motivating words set an inspiring tone for the day.

Competition Results:

1st Position – Team D

- Kirti, Arpit, Deepansh Kushwah (3rd Year, CSE)

2nd Position – Team A

- Sneha, Rajendra Kishore, Pravesh (2nd Year, CSE)

The winners were felicitated for their exceptional performance by IQAC Head **Dr. Shilpi Singh, Mr. Renu, Mr. Neeraj, Mr. Tarun Awasthi, Mrs. Vandana, Mr. Kuldeep, Mr. Saurabh Tyagi, Mrs. Soniya and Dr. Rajeev Sharma.**

Role Play Competition Brings Business to Life at IIMT

The Department of MBA at IIMT Engineering College, Meerut, successfully organized a Role Play Competition, offering students a vibrant platform to showcase managerial insight, communication skills, and creative thinking.

Held on April 23, 2025, the event encouraged participants to step into real-life corporate roles—ranging from marketing executives and HR managers to financial analysts and strategists. Each act reflected sharp business acumen and problem-solving capabilities, turning classrooms into boardrooms. Students tackled challenges like ethical conflicts, strategic decisions, and high-stakes negotiations with professionalism and poise. The event not only tested their academic knowledge but also honed their leadership and teamwork skills.

Judges and faculty applauded the initiative, calling it a perfect blend of learning and engagement. Events like this reaffirm IIMT's commitment to practical, industry-oriented education. The Role Play Competition left a lasting impact, empowering students to think like future leaders—today.

The success of the event was made possible by the meticulous coordination of **Dr. Vandana Agarwal** (Faculty Coordinator) and student coordinators **Anshi** and **Sneha** from B.Tech 2nd Year, whose efforts ensured a seamless and engaging experience for all.

Workshop on "Resume and LinkedIn Profile Building"

The Department of Business Administration at IIMT

Engineering College, Meerut in association with CETPA Infotech successfully organized a workshop on "Résumé and LinkedIn Profile Building" on 24th April 2025, exclusively for MBA students. The session taken by Mr. Ishpreet Singh, Corporate trainer aimed to empower future managers and entrepreneurs to build a strong digital presence and leverage professional networking to enhance their career prospects.

The session was highly interactive and practical, with live demonstrations and real-time profile reviews. The participants actively engaged in the Q&A segment and appreciated the relevance of the topic in today's digital-first professional landscape.

510 Army Base Workshop, Meerut Cantt

The students of B. Tech Computer Science and Engineering, accompanied by faculty members, visited the 510 Army Base Workshop located at Meerut Cantonment on 25th April 2025 as part of an industrial exposure program aimed at bridging academic learning with real-world applications.

The 510 Army Base Workshop is a premier Défence maintenance facility under the Ministry of Defence, Government of India. It plays a critical role in the overhaul, repair, and modernization of military vehicles, electronics, and communication systems, ensuring combat readiness and operational efficiency of the Indian Army.

During the visit, students were given a guided tour of various sections including:

- Electronics and Communication Equipment Repair Division

- Software and Embedded Systems Unit
- Vehicle Overhaul and Maintenance Bays
- Digital Diagnostics and Simulation Labs

The officials at the workshop provided valuable insights into the use of advanced computing systems, embedded technologies, and AI-powered diagnostic tools in defense logistics. The CSE students observed the integration of computer systems in real-time monitoring, automated testing, cybersecurity protocols, and software used in military-grade hardware.

The interactive session with senior engineers and defense personnel offered students the opportunity to understand how their field of study is applied in national defense services, exposing them to career opportunities in the defense technology sector.

The visit proved to be both educational and inspiring, allowing students to witness the practical applications of Computer Science in mission-critical systems and appreciate the role of technology in national security.

OUR DEPARTMENT'S

Department of Electrical & Electronics Engineering draws teaching talent from industry and professional practice, apart from competent and committed academicians to enhance the quality of the program. Department has sufficient labs equipped with necessary hardware and software to meet the curriculum requirements. Project lab has been setup to add up to the learning of the students. The students are encouraged to undertake projects in the areas of Machine Design, Power System Planning, Operations and Control, Electronics and Microprocessor Applications and Power Electronics. The future of Power, Electronics, and Automotive Technology lies in the area of Electrical and Electronics Engineering thus offering significant scope for professionals to grow and thrive in growing industrial sector.

The department inculcates technical, analytical and communication skills in students that would suffice for any job in the current challenging world. The Department provides suitable environment that enables students to follow their instincts of learning and doing innovative things.

Dr. Shailesh Kumar Gupta
HOD EN

The department has always been recognized for excellence in teaching and outstanding students' performance at global level and for the excellent placement record in various international/national companies. All over the world, the alumni of the department occupy top positions in IT industries like Infosys, TCS, Tech-Mahindra, Cisco, Cognizant, Autos Syntel, Wipro and many more.

STUDENTS' ACHIEVEMENTS

Rajbhawan Lucknow Declamation Competition

Two students from the Department of Computer Science and Engineering, Vasu and Vishakha, have been selected for Round 2 of the esteemed Rajbhawan Lucknow Declamation Competition. Their selection marks a significant academic milestone, reflecting their consistent efforts, strong communication skills, and commitment to excellence. The competition, known for its rigorous selection process, offers a platform for students to express critical thought and articulate their views on socially relevant topics. Round 2 of the competition is scheduled to be held online on 3rd March 2025.

The mentorship and academic support behind this achievement have also been notable. The mentor's dedicated involvement, coupled with the guidance provided by Dr. Sahadev, has played a key role in preparing the students for this level of competition.

This event was conducted under the banner of the **Institution's Innovation Council (IIC)**, an initiative by the Ministry of **Education's Innovation Cell**, aimed at fostering a culture of innovation and intellectual property rights among students and faculty.

The session focused on educating participants about patents, copyrights, trademarks, and the importance of safeguarding innovative ideas. The awareness program encouraged creativity and highlighted the role of intellectual property in advancing research and innovation.

The event was successfully coordinated by the IPR Cell under the guidance of **Dr. Dharendra Kumar, Director**. The initiative reaffirmed the college's commitment to promoting innovation and protecting intellectual assets.

STUDENT'S ACHIEVEMENT

A One-Day Hybrid Workshop on "Future in Robotics and AI," sponsored by IEEE, was successfully held on 15th April 2025 at Jaypee Institute of Information and Technology, Noida. The workshop focused on the latest advancements, future trends, and innovative applications in the fields of Robotics and Artificial Intelligence. It brought together experts, researchers, and enthusiasts to share knowledge and insights. Third-year students from the Mechanical Engineering Department attended the event in offline mode, gaining valuable exposure to cutting-edge technologies and real-world implementations. The interactive sessions, live demonstrations, and expert talks provided the students with an excellent opportunity to enhance their understanding of

AI-driven robotics and its growing relevance across industries. The event proved to be a highly enriching experience, encouraging students to explore research and career prospects in this dynamic domain. The participation also strengthened academic-industry collaboration and aligned student learning with future technological demands.

Radio IIMT organized a Hindi Diwas event for IIMT University and IIMT Academy students. Activities like poetry recitation, speech competitions, and essay

writing were conducted to promote love and respect for the Hindi language among students.

Radio IIMT 90.4 FM team participated in the Meerut Mohatsav, engaging students through interactive activities like quizzes, fun games, and talent showcases, fostering enthusiasm and creativity while promoting local culture and entertainment during the event.

Radio IIMT 90.4 FM conducted an awareness campaign, **Hamare Bujurg Hamara Abhiman**, in a village, focusing on elderly care. The team organized interactive sessions, health tips, and motivational talks to honor and promote respect for senior citizens in society.

TB Awareness Campaign

Radio IIMT 90.4 FM conducted a TB awareness campaign in a school, educating students about tuberculosis, its prevention, and early detection. The session included interactive discussions and health tips to spread awareness and encourage a healthier, informed lifestyle.

Nukkad Natak on TB Awareness by Journalism Students

In collaboration with journalism students, our team organized a Nukkad Natak at a school to spread awareness about Tuberculosis. The play highlighted:

- Common symptoms of TB

- The importance of early detection and treatment
- Free medical services available under the government TB program
- Tackling stigma around the disease

The energetic and informative performance engaged the students and students alike, making a complex topic easy

to understand and remember. Post the play, an open discussion was held with a local doctor to address any queries from the audience.

Sehat Sahi, Labh Kayi – Health Awareness Campaign for Mothers and Newborns

Under the banner of "Sehat Sahi, Labh Kayi", our team visited a nearby village to spread awareness among pregnant women and mothers of newborns regarding the importance of maternal and child health. This outreach program focused on educating the women about:

- Proper nutrition during and after pregnancy
- Importance of iron, calcium, and folic acid supplements
- Breastfeeding practices and infant care
- Importance of regular antenatal check-ups and vaccinations

This campaign aimed to bridge the information gap and ensure healthier beginnings for both mothers and babies.

Poshan Pakhwada – Nutrition Awareness for Mothers and Children

As a part of the nationwide campaign Poshan Pakhwada, our station conducted another outreach program focused on spreading awareness about nutrition among pregnant women, lactating mothers, and children under 5. Activities included:

- Nutrition demonstrations using local ingredients
- Discussions around balanced diets and portion control
- Importance of hygiene and clean drinking water
- Government schemes like ICDS and take-home ration benefits

ASHA and Anganwadi workers joined us in mobilizing women from the village and creating an interactive, informative space to promote nutrition literacy.

आईआईएमटी में मनाया विश्व महिला दिवस

पश्चिम पुकार ब्यूरो

मेरठ। भारतीय परंपरा में महिलाओं के लिए किसी दिवस को मनाने की कोई आवश्यकता ही नहीं होती। महिलाओं का सम्मान हमारी सनातन संस्कृति का हिस्सा है। विश्व महिला दिवस पर आईआईएमटी इंजीनियरिंग कॉलेज में आयोजित कार्यक्रम को संवोधित करते हुए मुख्य अतिथि और समाजिक कार्यकर्ता डॉ० मुगालिनी सिंह ने कहा की शिक्षा की देवी मां शारदा को माना जाता है। धन के लिए लक्ष्मी और शक्ति के लिए दुर्गा मां की पूजा की जाती है। सारी शक्तियों के केंद्र में महिलाओं के प्रतीक को रखा गया है। उन्हीं से प्रेरणा लेकर आगे बढ़ा जाता है। विश्व महिला दिवस के अवसर पर आईआईएमटी इंजीनियरिंग कॉलेज में शक्ति सृजन क्लब की ओर से पोस्टर, लेखन, कहानी और वेस्ट मैटीरियल टु वंडर जैसी प्रतियोगिताओं का आयोजन किया गया।

आईआईएमटी इंजीनियरिंग कॉलेज के मुख्य सभागार में आयोजित समारोह में स्टोरी टेलिंग प्रतियोगिता में विद्यार्थियों ने बेहद प्रभावी तरीके से महिलाओं की समाज में भूमिका का मार्मिक चित्रण किया। कार्यक्रम का संचालन करते हुए आरजे आदेश और आरजे साहिबा ने विद्यार्थियों को महिलाओं को बराबरी का दर्जा दिलाने पर बल दिया। इस कार्यक्रम को संवोधित करते हुए हीवर द साइलेंस फाउंडेशन की ब्रांड एंबेसडर नेहा

वत्स ने महिलाओं को आत्मनिर्भर बनने का संदेश दिया। उन्होंने उद्यमिता और नवाचार के लिए नए-नए आईडिया पर काम करने की आवश्यकता पर बल दिया। इंडियन ओवरसीज बैंक की प्रबंधक सीमा शर्मा ने विद्यार्थियों को बैंकिंग की ट्रेनिंग और फाइनेंस की जानकारी देते हुए इन सुविधाओं का लाभ लेने का आह्वान किया। आईआईएमटी इंजीनियरिंग कॉलेज के निदेशक डॉ० धीरेन्द्र कुमार ने समाज में

महिलाओं की भूमिका को रेखांकित करते हुए कहा की घर की सभी महिलाओं के नहीं दिखने वाले श्रम को पहचानने की आवश्यकता है। प्रतियोगिताओं में प्रदर्शन के आधार पर आलेख लेखन प्रतियोगिता में रमन प्रीत पहले और विशाखा दूसरे स्थान पर रही वहीं वेस्ट टु वंडर प्रतियोगिता में दीपांशु पहले और शिवानी दूसरे स्थान पर रही। स्टोरी टेलिंग में निव्या ल्यामी पहले, श्रेया शर्मा दूसरे और वैभव त्रिपाठी तीसरे स्थान पर रहे। शक्ति सृजन कन्वीनर वंदना अग्रवाल ने शक्ति सृजन के कार्यों का ज्वारा दिया। महिला सेल की कन्वीनर डॉ० सुगंधा क्षीत्रिय और इवेंट कोऑर्डिनेटर आरजु मलिक ने कार्यक्रम को सफल बनाने में सहयोग दिया। शिक्षक सहदेव सिंह तोमर ने विद्यार्थियों को नरो और दोहज के खिलाफ शपथ दिलवाई। कार्यक्रम में आईआईएमटी इंजीनियरिंग कॉलेज के सभी विभागाध्यक्ष, छात्र व माँडिया प्रभारी सुनील शर्मा मौजूद रहे।
