IIMT ENGINEERING COLLEGE

"Three Decades of Crafting Engineers, Shaping the Future"

Message By:

Shri Yogesh Mohan Gupta
Chairman

IIMT Group of College

"Dear Students, It is a pleasure to welcome all of you to another promising academic year 2025-26 at IIMT Engineering College. As we proceed towards our mission of excellence in engineering and management education, I encourage every student to grab the immense opportunities before them. Our college strives to provide a platform which not only builds technical expertise but also nurtures character and leadership. Our dedicated faculty and staff members, are fostering innovation and knowledge which is backbone of our institution's success. Together let us all work toward a bright future that embraces both technology and integrity. Remember you are the star of your parent and you have to prove the same."

"Dear IIMT Family, As we embark on this academic journey, I am filled with optimism and confidence about the strides we are making in management and engineering education. Our college is committed to provide resources and infrastructure that enhance both teaching and learning. For our students, we aim to give the skills and support needed to succeed in the modern workforce. The passion and commitment of the faculty and staff members to nurture our future leaders is remarkable.

Let us continue to inspire each other and push the boundaries of what we can achieve together."

Dr. Mayank Agrawal
Managing Director
IIMT Group of Colleges

Dear Student, We welcome all the students to another exciting session at IIMT Engineering College. Our academic programs are constantly evolving to meet the dynamic needs of the engineering world and managerial skills; we are thrilled to have each of you on this journey with us. Students, embrace this time to explore, create, and challenge you under the mentorship of learned and experienced faculty and staff members which is key to guide toward their professional goals. I look forward to seeing new ideas, projects, and collaborations emerge this year. Let's make this a term full of learning, growth, and success.

Dr.Dhirendra Kumar

Director

IIMT Engineering college

Dear Readers,

Welcome to the latest edition of Talento – a celebration of everything that made the past three months unforgettable at our campus. From vibrant cultural nights to inspiring seminars, from student achievements to candid moments of laughter, every page in this magazine reflects the energy and creativity of our college community.

Our aim is simple – to capture not just events, but the essence of campus life. Through stories, pictures, and voices, Talento becomes a diary of memories that will live long after the months have passed. We thank every student, faculty member, and organizer who contributed to making this journey possible. This magazine is not just ours—it belongs to everyone who lived these moments.

So, flip through the pages, relive the highlights, and keep the spirit alive. Because Talento isn't just a name, it's an experience.

–With Warm Wishes
The Editorial Team

Board of Governors Meeting Highlights 2025-26

The Board of Governors of IIMT Engineering College, Meerut, convened its meeting for the 2025–26 session on 2 August 2025 at the college campus. The session was held under the chairmanship of Shri Yogesh Mohanji Gupta, Chairman, along with Dr. Mayank Agarwal, Managing Director.

Distinguished board members and eminent representatives from IIT Roorkee, JNU Delhi, NIELIT, NSUT Delhi, and Delhi University, along with senior academic leaders, industry experts, and the college administration, participated in the deliberations.

Key decisions and discussions focused on: Approval of new academic program, Infrastructure, expansion and upgrades, Faculty recruitment, promotions, and development, Strengthening industry collaborations, Recognition of student achievements

Financial audit and strategic budget allocation, Enhancement of research and development for faculty and students The Director, Dr. Dharendra Kumar, presented the annual report, outlining the institution's achievements and the strategic roadmap for the coming year. The meeting concluded with a formal vote of thanks, reaffirming the Board's unwavering commitment to advancing quality technical education and contributing to national development.

Independence day Celebration

IIMT Engineering College celebrated the Independence Day of India with great enthusiasm and patriotic spirit. The event aimed to honor the sacrifices of freedom fighters, promote national unity, and inspire students to understand the importance of independence and responsibility towards the nation. The celebration began at 9:00 AM with the flag hoisting ceremony by the Chairperson, IIMT Engineering College, accompanied by faculty members, staff, and students. Everyone joined in singing the National Anthem, which filled the atmosphere with patriotism.

After the flag hoisting, a series of cultural activities was organized by students from different departments. Patriotic songs presented by the college choir.

Speech on Independence Day was delivered by selected students, highlighting the struggle for freedom and the importance of national integrity. Dance performances depicting India's cultural diversity and unity.

Short skit on the life and contributions of freedom fighters. These performances showcased the talent and creativity of students while inspiring the audience. The Chairman sir delivered a motivating speech emphasizing the role of youth in nation-building, innovation, and maintaining the values of democracy and freedom. Faculty members also encouraged students to contribute positively to society. The Independence Day celebration at IIMT Engineering College was a grand success. It instilled patriotic feelings among all attendees and reminded everyone of the responsibility to uphold the values of unity, peace, and progress. The event concluded with a vote of thanks by the event coordinator.

DEEKSHARAMBH-2025

The Induction and Orientation Program DEEKSHARAMBH-2K25 for B.Tech. & MBA students at IIMT Engineering College, Meerut commenced on 25th August 2025 with enthusiasm and positivity.

Day 1 began with the auspicious Lamp Lighting Ceremony by the Director, Deans HODs, and

dignitaries, followed by Ganesh Vandana with Swasti Vachan and cultural performances.

A warm Welcome Address was delivered by Dr. Dharendra Kumar, Director, IIMT Engineering College.

Sessions included Time Management and Effective Study Habits by Dr. Sangeet Vashishtha, Academic Process at IIMT by Dr. Rahul Vivek Purohit, Dean Academics, and Student Welfare and Support by Dr. Neeraj Sharma, DSW, IIMT.

Post lunch break, Ms. Arju Malik, Admission coordinator of B. Tech. introduced the admission process and introduced the Deans, HoDs, and Registrar. The day concluded with the Talk by Mr. Abhishek Verma, Head-Training and Placement, General Instructions by Dr. Shilpi Singh, dean admin, about the code of conduct and rules and regulations of the Institution. Mr. Vishal Singhal, Assistant registrar, elaborated about the enrolment and documentation process of AKTU.

In the second session of Day 1, the B.Tech students participated in an interactive session titled "Play with Computers" held in the computer labs. This session aimed to enhance their practical understanding and hands-on skills with computing technologies.

Simultaneously, the MBA students attended an expert talk by Dr. Vikhyat Singhal, Head of Department of Business Administration on the topic "What Makes a Good Leader." During the session, students gained valuable insights into the qualities of effective leaders and various leadership styles. The session also included a role-play activity to demonstrate how leaders can influence the behavior of their followers, making the learning experience engaging and impactful.

Day 2 Highlights:

The day featured an inspirational talk by the Hon'ble Chairman, Shri Yogesh Mohanji Gupta Sir, who shared his words of wisdom to motivate the students. He emphasized the importance of discipline, dedication, and focus in life. He also encouraged students to develop themselves in key areas such as sports and English vocabulary.

A session on "Fun with Mathematics" was organized for B.Tech students from 11.30 to 1.10. Simultaneously Prof. V.R. Shukla, Assistant Professor, Department of Business Administration

delivered an insightful expert talk on Digital Marketing for the MBA students. The session covered key concepts, current trends, and practical applications of digital marketing, helping students understand its growing importance in the modern business landscape. This was followed by an address by Dr. Neeraj Garg, Dean of CSEA, who spoke about the role of education in keeping pace with the latest technologies.

The session was followed by an Expert Talk by Dr. Poonam Devdutt, who discussed strategies for success and personal effectiveness, motivating students to achieve excellence through discipline, continuous learning, and self-growth.

Workshop on Cyber Security

Dated : 08-Sep-2025

In today's digital age, cybersecurity is a critical concern for individuals, organizations, and governments alike. With the increasing number of cyber threats and attacks, it's essential to stay informed and equipped with the knowledge and skills to protect ourselves and our systems. IIMT Engineering College, Department of Computer Science and Engineering, in association with DUCAT Noida, has organized a workshop on Cyber Security for CSE pre-final & final year students. The resource person was Mr. Pankaj Kumar Jangir.

This workshop on cybersecurity aimed to provide participants with a comprehensive understanding of cybersecurity concepts, threats, and best practices.

Key Takeaways

1. Cybersecurity Fundamentals: Participants learned about the basics of cybersecurity, including security threats, vulnerabilities, and risk management.

2. Threat Intelligence: The workshop covered various types of cyber threats, including malware, phishing, and ransomware, and how to identify and mitigate them.

3. Security Best Practices: Participants learned about security best practices, including password management, encryption, and secure coding practices.

4. Incident Response: The workshop discussed incident response strategies and techniques for responding to cyber-attacks.

Hands-on Activities

1. Capture the Flag (CTF) Challenge: Participants engaged in a CTF challenge, where they had to identify and exploit vulnerabilities in a simulated environment.

2. Security Tool Demonstration: The workshop included demonstrations of various security tools, including intrusion detection systems and vulnerability scanners.

Conclusion

The workshop on cybersecurity provided participants with a comprehensive understanding of cybersecurity concepts, threats, and best practices. The hands-on activities and expert presentations made the workshop engaging and informative. Participants left with a better understanding of how to protect themselves and their systems from cyber threats.

The event was glorified with the presence of Director sir Dr. Dharendra Kumar, who encouraged the students to be ahead of time in a learning environment.

The HOD sir Dr. Rajeev Sharma, raised the appreciation for the resource person and the students for their enthusiasm. The Event Coordinator, Mr. Neeraj Kumar Gupta, executed the event in an energetic and paramount way that the students were bound to update themselves.

Radio IIMT 90.4 FM Activities- August 2025 to October 2025

On 12 August 2025, with the support of Pinky Samuel, CEO of Ayushman Arogya Mandir, RADIO IIMT 90.4 FM, and the team of @smart_ngo visited Saini village to interact with the local residents. During the program, villagers were made aware of diarrhea, including its causes, symptoms, and prevention methods, explained in simple and easy-to-understand language. This event was organized under the campaign “Sehat Sahi Laabh Kai”, aimed at spreading health-related awareness in rural areas.

On 28 August 2025, to spread the “Sehat Sahi Laabh Kai” campaign to as many people as possible, Radio IIMT 90.4 FM and @smart_ngo organized an awareness program in Masuri. The event was held at the residence of Masuri’s former Pradhan, with the support of Dr. Deepak, CEO of Ayushman Arogya Mandir Masuri. A large number of local residents participated in the program. During the event, participants were given health-related information, along with details about various government health schemes and their benefits. Special focus was given to diseases spread by mosquitoes in rural areas such as dengue, malaria, chikungunya, and long-term illnesses like filariasis (elephantiasis). Dr. Deepak explained in detail the causes and preventive measures for these diseases.

On 22 September 2025, Radio IIMT 90.4 FM and Smart NGO organized a special awareness program under the “Swasth Naari, Sashakt Parivar Abhiyaan” in Bana village to educate women about health and well-being. During the program, women from rural areas were provided with essential health-related information and were informed in detail about the government’s “Swasth Naari, Sashakt Parivar Abhiyaan.” The main objective of this campaign is to make women physically and mentally healthy so that families and society as a whole can become stronger. The session covered topics such as balanced diet, hygiene, regular health check-ups, maternal and child health, anemia prevention, and awareness about women’s diseases. Participants were also informed about how to easily access government health services and schemes. This special awareness campaign will run continuously from 17 September to 2 October, reaching various areas to motivate women to become more health-conscious and empowered.

27th September 2025, On the occasion of World Pharmacy Day, Radio IIMT 90.4 FM in collaboration with the School of Pharmaceutical Sciences, IIMT University, organized a visit to Palda village. A special health check-up camp was arranged, where villagers were provided with free medical examinations and consultations. More than 50 villagers enthusiastically participated in the camp and got their health check-ups done. The main objective of this initiative was to raise health awareness among rural residents and emphasize the importance of regular medical check-ups. The Radio IIMT team, including RJ Sahiba, RJ Adesh, RJ Ashish, and intern Manjuli Pradhan, interacted with villagers, shared valuable health and hygiene information, and encouraged them to maintain a healthy lifestyle.

6th October 2025, Radio IIMT 90.4 FM, in collaboration with Smart NGO, once again organized an awareness program in Alampur Buzurg village under its continuous social responsibility initiative. The event was conducted under the campaign “Sehat Sahi, Laabh Kai”, aiming to spread health awareness and benefits at the rural level. The main theme of this program was “Poshan Maah” (Nutrition Month) and “Anemia (Iron Deficiency)”. The villagers, especially women, adolescents, and children, were educated about proper nutrition, the effects of iron deficiency, and the importance of a balanced diet. During the event, ASHA workers and Anganwadi workers were specially guided to visit different villages and spread awareness among women about preventing anemia

and promoting nutritious eating habits. CHO Ram Kirt Gupta's contribution to the event was commendable. The active participation of ASHA sisters and Anganwadi workers played a major role in making the program successful.

8th October 2025, Radio IIMT 90.4 FM team actively participated in the All India Kisan Mela organized at IIMT University. The team interacted with farmers and stall exhibitors, engaging in meaningful conversations and sharing experiences from the vibrant atmosphere of the fair. The team captured inspiring stories, experiences, and valuable insights shared by the farmers during the event.

On 24 October 2025, a special public awareness program titled "Sehat Sahi Laabh Kai" was organized at the Community Health Center, Machchara. The event was a joint initiative by Radio IIMT 90.4 FM and Smart NGO, held under the guidance of Dr. Tarun Rajput, Chief Medical Superintendent, CHC Machchara. The program aimed to educate the rural community about the importance of cleanliness, water conservation, and health awareness. During the event, experts discussed various health-related topics in detail and shared practical tips on maintaining hygiene and saving water in daily life. This initiative reflected the commitment of Radio IIMT 90.4 FM and Smart NGO toward promoting community health, spreading awareness, and encouraging sustainable practices for a healthier society.

Department of CSE(AI) & DS

The Department of Computer Science and Engineering (Artificial Intelligence) and the Department of Artificial Intelligence and Data Science successfully organized a debate competition on "Bitcoin: The Future of Money?" on September 12, 2025. The program commenced with an inspiring address by our esteemed Director, Dr. Dhirendra Dwivedi, who motivated the participants to think critically and explore innovative ideas. The event was judged by Dr. Vikhyat Singhal, Head of the MBA Department.

The top three positions were awarded to:

- First Position: Rohit Tyagi (AI & DS)
- Second Position: Mahi Tyagi (AI)
- Third Position: Vaibhav Pal (AI & DS)

The event was organized under the guidance of Dr. Vandana Agarwal (HOD), Dr. Rohit Kumar, and Dr. Vyom Sharma, with Mr. Sannidhya Kushwaha as the Event Coordinator. We extend our gratitude to the students who assist in making the event a success. The debate competition provided a platform for students to engage in thought-provoking discussions and showcase their knowledge and critical thinking skills. We congratulate the winners and all participants for their outstanding performances.

Dr. Vandana Agarwal, HOD of CSE (AI) and AI & DS, concluded the event by expressing her pride and appreciation for the students' exceptional performances and wished them continued success in their future endeavors. With this, the Engineer's Day Celebration: Debate Competition came to a successful close

1. IIMT Shakti Srijan organized a Digital Poster Making Competition along with a Guest talk on Legal Awareness by Advocate Mahima Kaushik & talk on the importance of a balanced diet by renowned dietitian Shivoli Mathur founder of Ahara, in collaboration with NGO -Hear the Silence

2. Workshop Conducted on AI & ML

The Department of Computer Science and Engineering (CSE) and AI&DS, IIMT Engineering College, successfully organized a Workshop on Artificial Intelligence (AI) and Machine Learning (ML) on 26/09/2025. The workshop aimed to provide students with practical exposure to the rapidly growing fields of AI and ML and to enhance their technical knowledge beyond the classroom curriculum. The session was conducted by Mr. Aman, Data Scientist (Appwars Technology PVT. LTD, Noida) The event was coordinated by Mr. Tarun Avasthi, Mr. Renu Kumar, and Mr. Vyom Sharma under the guidance of Dr. Rajeev Sharma and Dr. Vandana Agarwal. Overall, the workshop proved to be a valuable learning experience, bridging the gap between academic knowledge and industry requirements in the domain of Artificial Intelligence and Machine Learning.

AKTU Sports Fest 2025

IIMT Engineering College successfully hosted the AKTU Lucknow Zonal Sports Meet on 16th and 17th October 2025. The two-day event aimed to promote physical fitness, competitive spirit, teamwork, and sportsmanship among students of various colleges affiliated with Dr. A.P.J. Abdul Kalam Technical University (AKTU).

The campus was decorated for the occasion, and all arrangements for grounds, equipment, medical support, hospitality, and logistics were made well in advance to ensure a smooth and memorable sports meet.

The event began with a grand inaugural ceremony at 9:00 AM in the college sports ground. The Chairman Sir, Director sir of IIMT Engineering College welcomed all participating teams, officials, coaches, and faculty coordinators. The chief guest declared the sports meet open, followed by the march past of participating teams and the lighting of the sports torch.

A wide range of indoor and outdoor sports events were conducted over the two days, including:

Outdoor Events

Athletics (100m, 200m, 400m, 800m Relay, Long Jump, high jump, Shot Put)
Kabaddi (Men & Women)
Volleyball (Men & Women)
Kho-Kho (Men & Women)

Indoor Events

Table Tennis
Badminton
Chess

Professional referees and AKTU-appointed officials ensured fair and transparent evaluation throughout the meet. More than 20 colleges, more than 900 participants from the Meerut Zone participated in the meet. The enthusiasm and discipline of the players created a vibrant and energetic atmosphere. Cadets and student volunteers managed coordination, hospitality, and event flow effectively.

IIMT Engineering College teams performed excellently and qualified for several events at the next level. Several matches, especially in Kabaddi and Volleyball, received loud appreciation from the audience due to intense competition. The athletics events witnessed remarkable performances and new records at the zonal level.

Closing Ceremony (17 October 2025)

The sports meet concluded with a closing and prize distribution ceremony.

Winners and runners-up from various categories were awarded medals, trophies, and certificates by the dignitaries.

The Director sir appreciated the efforts of the Sports Department, volunteers, and coordinators for organizing a successful event. Participants were encouraged to maintain the spirit of sportsmanship and continue excelling at university-level competitions.

The AKTU Lucknow Zonal Sports Meet 2025, hosted by IIMT Engineering College, was a grand success. The event strengthened inter-college bonding, showcased student talent, and promoted physical fitness and teamwork.

The meet concluded on a high note, leaving lasting memories for all participants and contributing to a stronger sports culture on campus.

wide appreciation. More such activities will be undertaken during this drive to make our campus a model of neatness and cleanliness.

Extempore Competition on Innovation and Design Thinking

The Department of MBA organized an Extempore Competition on Innovation and Design Thinking to inspire creativity and quick thinking among MBA students. Participants spoke on surprise topics, showcasing their analytical and communication skills. Coordinated by Ms. Sayma Parveen and judged by Dr. Sundeep Chaudhary and Mr. V. R. Shukla, the event highlighted the key stages of design thinking—Empathize, Define, Ideate, Prototype, and Test.

Winners:

1st Bhoomi Walia

2nd Disha Chauhan

3rd Deepanshi Sharma

Consolation: Harshit Agarwal, Vidhi Bhardwaj

The event concluded with a Vote of Thanks by Dr. Vikhyat Singhal, marking it a great success that encouraged innovative and confident management thinking.

A Cleanliness drive

A Cleanliness drive was undertaken on 12 September at I.I.M.T Engineering College under the banner “Special Campaign 5.0 2025 improving SWACHHATA” from 15th September 2025 to 31st October 2025 under the guidance of Prof (Dr.) Dharendra Kumar (Director), Prof (Dr.) Hari Om Sharma (Program coordinator) and team members organized the program. In the activity, a cleanliness drive was undertaken in the premises of the college. All HODs, faculty members, students, and staff members actively participated in this drive. All garbage, dirt etc. was thoroughly cleaned, making it absolutely spic & span. The participation from the students was particularly very encouraging and received

Engineers' Day 2025 Celebration at IIMT Engineering College

IIMT Engineering College celebrated Engineers' Day 2025 with great enthusiasm, showcasing innovation, creativity, and teamwork. Students from B.Tech and MBA actively participated, highlighting the spirit of collaboration and problem-solving. The event featured an Idea Pitching Session where students presented real-world solutions, and Project Demonstrations that turned engineering concepts into working models. A Software Project Showcase further displayed tech-driven ideas powered by AI and digital innovation. A key highlight was the interdisciplinary collaboration between B.Tech and MBA students—blending technical expertise with managerial insight to create impactful, market-ready solutions.

The celebration concluded with a message of unity between innovation and leadership, inspiring students to think creatively, work collaboratively, and shape a better future through technology.

The celebration concluded with a message of unity between innovation and leadership, inspiring students to think creatively, work collaboratively, and shape a better future through technology.

Shakti Srijan Club Organizes Legal Awareness Programme

The Shakti Srijan Club of IIMT Engineering College, Meerut, hosted a Legal Awareness Program on 25 September 2025, which featured a digital poster-making competition focusing on Fundamental Rights, Cyber Safety, and Gender Equality. Kumkum Tomar, Ayushi Sangwan, and Rashi Singh won first, second, and third prizes, respectively. Advocate Mahima Kaushik delivered an insightful talk on women's rights, cybercrime, and domestic violence, encouraging students to stay informed about legal protections. The event was supported by the Hear-The Silence Foundation, which expressed interest in future collaborations.

Guided by Student President Anshi and Co-Convenor Paramita, and with strong support from faculty and student volunteers, the program successfully promoted legal awareness and social responsibility among participants

The Department proudly records the achievement of Ms. Muskan Mittal and Ms. Muskan Bi, who received their MBA degrees from the Hon'ble Chancellor of AKTU during the University Convocation held in Lucknow. Their accomplishment stands as a testament to their diligence, perseverance, and academic excellence.

Several other MBA graduates from the department were unable to attend the ceremony due to the first-come, first-served registration process. Their success, however, remains equally noteworthy and continues to bring distinction to the institution.

Reflecting on the occasion, the Head of the Department remarked, "Our students' achievements reinforce the department's commitment to nurturing professionals of the highest caliber. We are proud of their journey and confident that they will continue to excel in their chosen careers."

The department extends its heartfelt Congratulations to all graduates and wish them continued success in their professional and personal endeavors.

Collaboration Update – The Times Group & IIMT Engineering College, Meerut

IIMT Engineering, Meerut has officially signed an MoU with Times Edutech and Events Ltd. (Times Pro – The Times Group) on Saturday, 27th Sept 2025.

 Purpose: To empower our students, alumni, and faculty with access to Times Pro’s career development platform—offering services like:

- Skill assessment
- Career counselling
- Resume building
- Interview prep
- Domain certifications
- Job portal access
- Lifelong learning resources

This strategic partnership reinforces our commitment to student success, employability, and continuous upskilling.

Industry Visit to Ducat, Noida

Students of the Computer Science and Engineering (CSE) and MCA department from IIMT Engineering College visited Ducat, Sector 63, Noida, for an enriching industry exposure program aimed at enhancing their technical and professional skills.

During the visit, students actively participated in three interactive sessions:

How to Build the Perfect Resume for Industry Readiness with LinkedIn – A practical session on creating impactful resumes and leveraging LinkedIn for career opportunities.

How to Build an AI-Enabled Project – Insightful guidance on designing and implementing AI-driven projects.

Hands-on Training on AI (Tools Kit) – Live training with AI tools for real-time applications.

A key highlight of the visit was an engaging interaction with Dura Robot, where students posed several queries, and the robot responded intelligently and accurately, leaving everyone impressed.

The industry visit was flagged off with a green signal by Director, Dr. Dharendra Kumar and Dean, Dr. Neeraj Garg, marking the beginning of this valuable learning experience. The entire program was meticulously coordinated by Mr. Neeraj Kumar Gupta, Mr. Renu Kumar, Mr. Saurabh Gupta, Ms. Himani, and Dr. Rajeev Sharma (HOD, CSE), ensuring its smooth and successful execution.

This initiative provided students with a deeper understanding of industry practices, emerging technologies, and practical AI applications, effectively preparing them for

future professional challenges.

Vishwakarma Puja Celebration

Vishwakarma Puja Celebrated in a Grand Affair at IIM-T Engineering College, Meerut Like every year, Vishwakarma Puja was celebrated with great devotion and enthusiasm at IIM-T Engineering College, Meerut. The

event was inaugurated with the lighting of a lamp by Mr. Yogesh Mohanji Gupta, Patron of the IIM-T Group. College Director Dr. Dharendra Kumar and all the Heads of the B.Tech and Management departments were present on the occasion.

Following the lighting of the lamps, a hawan was performed, in which each student offered their oblations with complete devotion and faith. The hawan filled the atmosphere with purity and positive energy.

Vishwakarma Puja and hawan is an annual tradition celebrated in India to honor Lord Vishwakarma, the divine architect and craftsman. It is a day when artisans, engineers, and workers pray for the smooth functioning and prosperity of their tools, machinery, and workplaces. At IMT Engineering College, recognizing the crucial role of engineers and innovators in shaping the future, this tradition is maintained with great reverence.

Vishwakarma Puja is held annually at the college on a grand scale, with a large number of students, faculty, and non-teaching staff participating. On this occasion, everyone united and prayed to Lord Vishwakarma for progress and prosperity.

The program concluded with the distribution of prasad. All participants partook in the prasad, making the event a success and a memorable one.

Dandiya Raas and Vijay Utsav

IIMT Engineering College, Meerut, organized a vibrant celebration of “Dandiya Raas and Vijay Utsav” on September 29,

2025, in the Seminar Hall (127). The event was graced with enthusiastic participation from students of CSE, MBA, B.Tech (First year), AI & DS, creating an atmosphere filled with joy, energy, and cultural spirit.

The program began with a warm welcome of the Director, Dr. Dharendra Kumar, Dr. Rahul Purohit (Dean Academics), Dean CSAI (Dr. Neeraj Garg), Dr. Shilpi Singh (Dean Administration), Dr. Sangeet Vashisht (admission advisor), Dr. Sugandha Shrotriya (Radio Director), HODs of all departments, and Faculty members of all departments followed by the lighting of the lamp to invoke divine blessings. The cultural performances included solo, duet, and group dance, Singing, Quiz, and Skit performances that showcased the beauty of Indian traditions and the spirit of Navratri. The highlight of the event was the Dandiya Raas, where students and staff came together to celebrate the festival with rhythmic beats, colorful attire, and synchronized dance steps.

Alongside the dance festivities, the Vijay Utsav was observed to commemorate the triumph of good over evil. A short skit/play on the Mahabharata was presented by students, symbolizing the victory of righteousness and spreading the message of courage, truth, and unity.

The event not only entertained but also strengthened the bond among students and faculty, promoting cultural values and teamwork. The overwhelming participation and cheerful environment made the celebration a memorable success.

The program concluded with words of encouragement and appreciation by the

respected dignitaries, applauding the efforts of the organizing Student committee, event coordinators Mr. Ankur Gupta, Ms. Himani, and participants. The celebration of “Dandiya Raas and Vijay Utsav” truly reflected the cultural richness and festive spirit of India, leaving behind cherished memories for all present.

Durga Ashtami

On the auspicious occasion of Durga Ashtami, a Kanya Pujan ceremony was organized at IMT Engineering College, Meerut. The event aimed to honor the divine feminine power and celebrate the sacred tradition of worshipping girls as embodiments of Goddess Durga.

The program began with Vedic chanting and devotional prayers, filling the atmosphere with spiritual and positive energy. The girls were respectfully welcomed and worshipped with traditional rituals, including washing their feet, offering flowers, applying tilak, and offering prasad, symbolizing the nine forms

of Goddess Durga.

On this occasion, College Director Dr. Dharendra Kumar, in his address, said, "Kanya Pujan on Durga Ashtami is not just a religious ritual, but it also conveys the message that women are the true foundation of power. In our culture, there is a tradition of worshipping girls as embodiments of the Goddess, which underlines the respect and dignity of women in society."

The puja was conducted with due rituals by Acharya Dr. Ishendra Kumar Parashar. In his blessings on this occasion, he said, "Kanya Pujan is an integral part of Indian culture. Worshipping girls during Navratri bestows special blessings of Goddess Durga and strengthens the feeling of respect and reverence for women in society."

Faculty, staff, and students participated enthusiastically in the program, filling the atmosphere with devotion and cultural fervor. This puja not only reflects the rich cultural values of Indian traditions but also highlights the importance of honoring women as a symbol of energy, power, and purity in society.

The ceremony concluded with the distribution of prasad and blessings, which left everyone with a deep sense of positivity and devotion.

A Cleanliness drive

A Cleanliness drive was undertaken today 03-10-2025 at our I.I.M.T Engineering College under the banner "Special Campaign 5.0 (2025) improving 'SWACHHATA 2.0' from 15th September 2025 to 31st October 2025 under the guidance of Prof (Dr.) Dharendra Kumar (Director), Prof (Dr.) Hari Om Sharma (Program coordinator), and team members organized the program.

In today's activity, a cleanliness drive was undertaken in the premises of the college. All HODs, faculty members, students and staff members actively participated in this drive.

Event: Ad Mad Show 2025

Date: 30th October 2025

Organized by: Department of MBA, IIMT Engineering College, Meerut (Affiliated to AKTU, Lucknow)

The Department of MBA successfully organized a creative and fun-filled event, “Ad Mad Show 2025”, on 30th October 2025. The event aimed to encourage students to showcase their creativity, marketing acumen, and presentation skills through innovative and entertaining advertisements of imaginary or existing products.

The event was coordinated by Ms. Shikha Dubey, Faculty of MBA Department, and

supported by student coordinators Deepanshi and Mani. The event was judged by the esteemed panel comprising Dr. Shilpi Singh and Dr. Sahadev Singh Tomar, who evaluated the performances based on creativity, originality, teamwork, and presentation.

Students participated enthusiastically in teams, presenting humorous yet meaningful advertisements that reflected their imagination and marketing sense.

After a series of captivating performances, the winners were announced as follows:

🏆 First Position: Aditi and her team

🥈 Second Position: Deepanshi and her team

🥉 Third Position: Divya Souran and her team

The event was graced with the presence of MBA Department faculty members, who motivated and appreciated the efforts of all the participants. The program concluded with the prize distribution ceremony and a vote of thanks, acknowledging the judges, coordinators, and all participants for making the event a grand success.

The Ad Mad Show 2025 turned out to be an engaging and inspiring platform that encouraged students to think innovatively and express their marketing ideas with confidence and creativity.

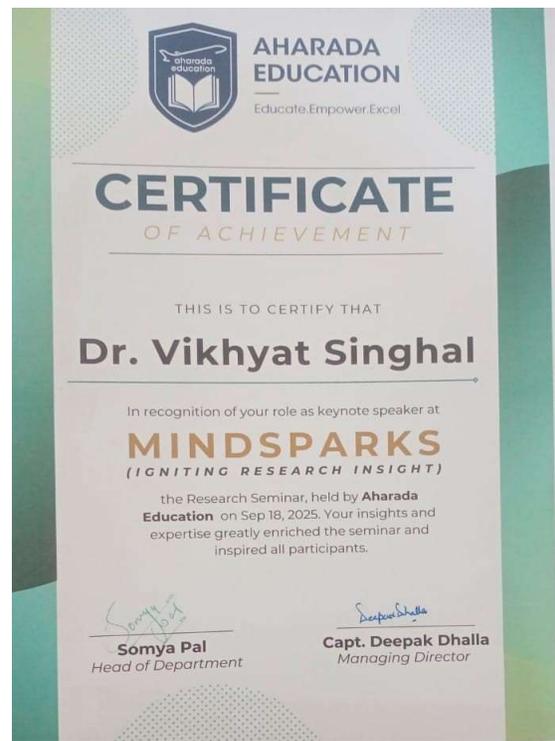

Faculty Achievement

Dr. Vikhyat Singhal

- Keynote speaker at Mindsparks (IGNITING RESEARCH INSIGHT) a Research seminar held by Aharada Education on 18 Sep, 2025.
- Participation in One day Multidisciplinary International E-conference on “Sustainability and Development in SAARC Nations: Key issues, Opportunity and challenges” on 19 Sep, 2025 organized by Rangapara College, (Autonomous)
- Paper published “Entrepreneurship and Startups as Drivers of Sustainable Economics Growth in SAARC Nations” in Journal of Research & Development (Peer Reviewed International, Open Access Journal) Vol-17, Issue 9(II) Sep 2025
- Received Certificate of Excellence in Reviewing by Journal of Research in Education and Social Science.

Mr.Dinesh Kumar Patel

- Published Research article :Mechanical characterization and thermal conductivity of nanosilica reinforced AI6061 based nanocomposite” in SCI Indexed journal Material Science and Engineering technology. 03 Oct 2025.

Mr.Sachin Kumar

- Published Research article “Comparative exploration among the traditional and modern fabrication processes for cost effective method for aluminium metal matrix composites fabrication: A review 15(9) in SCI Indexed journal AIP Advances, 26 Sep, 2025

Mr.Bodhisatwa Seal

- Mr.Bodhisatwa Seal has successfully defended his Ph.D degree oral defense committee in Mechanical & Automation Engineering from Amity University, Noida.

Editorial Board

Chief Patron

Mr. Yogesh Mohan Ji Gupta
